

THE UNIVERSITY OF ARIZONA LEGACY LANE

The University of Arizona Athletics Department is offering a once in the lifetime opportunity for alumni, Wildcat fans and supporters to join in and become a part of the Eddie Lynch Athletics Pavilion. Legacy Lane is the historic walkway that leads to The Jim Click Hall of Champions facility, that honors the greatest moments, teams, and letterwinners in Arizona Athletics history. But that's not all...

You can become a part of history by purchasing a tile to honor your accomplishments or any loved ones to serve as a fitting tribute that will last a lifetime. By simply filling out the attached form below, your personally engraved tile will become a permanent fixture of Legacy Lane.

Engraving is done quarterly throughout the year and makes a great gift for that special Wildcat. At the same time your 100% tax deductible donation helps support the Wildcat Scholarship Fund, which aids in the success of more than 475 student-athletes.
